

Lurie Children's Foundation
225 East Chicago Avenue, Box 4
Chicago, IL 60611

Dear Friends:

The children's book series, "**The Rootlets**", is playing an important role in the advancement of care and treatment at Ann & Robert H. Lurie Children's Hospital of Chicago. Through the "**School Rocks!**" fundraising initiatives, it will be raising vital funds to support more than 173,000 patients that we serve each year, as well as build awareness for health issues that affect children.

Lurie Children's culture of collaboration and innovation focuses on providing the highest quality, family centered care to children. Through patient care, research, education and advocacy, our experts continue to practice groundbreaking pediatric medicine and improve the health and wellbeing of children. Generous support from "**The Rootlets**" contributes directly to this mission and to the care and comfort of the children we serve. We are grateful for their dedication to Lurie Children's and thank them for their support and confidence in our work.

Enhancing the health and wellbeing of children is an investment in our future. Through an association with "**The Rootlets**", you are making a meaningful impact on the future of medicine at Ann & Robert H. Lurie Children's Hospital of Chicago and the health of the next generation. Thank you in advance for your support!

Sincerely,

A handwritten signature in black ink that reads "Kaelyn Tucker".
